Jennifer Bolyard, MD, FACP
Program Director

- Dr. Bolyard joined CMEF as Program Director in September, 2013. She received her MD in 1994 as a graduate of NEOMED and completed her Fellowship in Academic Medicine in May 2010. Before her start as CMEF Program Director, she served as Assistant Program Director from 2001-2007, and has been Aultman’s Transitional Residency Program Director from 2004 to present.

- Her interests include resident and student mentoring as well as curriculum development and learning theory. She is a strong advocate for resident personal and professional development.
Dr. Narayanan is a graduate of Chennai Medical College in India where she was an Internist and certified Pathologist. She graduated from CMEF Internal Medicine program as a Co-Chief Resident in 2009, and completed her Fellowship in Academic Medicine at NEOMED in 2010. She became the Internal Medicine Clerkship Site Director in 2011 and is the Director for our Resident Clinical Outpatient Practices. She has a passion for high value patient-centered care.
Dr. Ziegler graduated from the Ohio State University College of Medicine in 1973. He completed a residency in Internal Medicine at Akron City Hospital and a pulmonary fellowship at Indiana University Medical Center. Following 3 years of private practice, he joined the faculty in January of 1982. His appointments at NEOMED include Associate Dean for Clinical Education and Professor of Clinical Internal Medicine. He is Chairman of the Education and Research Committee at Mercy Medical Center.
Dr. Chakka is a graduate of the Osmania Medical College, Hyderabad. She trained in Internal Medicine at Interfaith Medical Center in Brooklyn NY. Subsequently, she completed a Fellowship in Geriatrics at Indiana University in Indianapolis. Dr. Chakka is committed to teaching and mentoring residents, as well as guiding the residents on quality improvement and research. She joined our faculty in July of 2012.
Dr. Rajkumar joined the CMEF faculty as Asst. PD this past July after completing her residency in Canton and serving as Chief Resident. She is a graduate of Kilpauk Medical College in Chennai, India, and had experience as an Assistant Professor of Pathology prior to training in Canton. She oversees our didactic curriculum in CMEF and has special interest in evidence-based clinical decision making and teaching.
Gilbert Rowley, MD, FACP
Teaching Hospitalist–Core Faculty

- Dr. Rowley is a 1986 graduate of The Ohio State University College of Medicine and completed his internal medicine residency at Akron City Hospital/Summa Health Systems in 1989. Subsequently, he served as Chief Medicine Resident at Akron City until 1990. He has practiced in the Stark County area since then. He is board certified in internal medicine and a Fellow of the American College of Physicians. In 2002, he was commissioned as a medical officer in the U.S. Army Reserve and thereafter served several times on active duty. Dr. Rowley serves on the clinical faculty of both Ohio State and NEOMED and joined AIM as a teaching hospitalist in November 2013.
Dr. Beard is a graduate of the Ohio State University Medical School and completed his Internal Medicine residency at Riverside Methodist Hospital in Columbus, Ohio. His clinical practice has primarily focused on inpatient medicine as a hospitalist. He also has an extensive background in hospital administration with an emphasis in quality and patient safety. He earned an MBA from the University of Massachusetts-Amherst in 2010. Dr. Beard enjoys teaching and participating in quality improvement.
Dr. Beard is a graduate of NEOMED and completed her Internal Medicine residency at Riverside Methodist Hospital in Columbus. Initially practicing as a private internist, she subsequently served as faculty in the Riverside IM residency and as director of its simulation program. Her interests include improving patient safety and quality, as well as teaching medical students and residents in the inpatient setting.
Dr. Rajan has educated residents at the Mercy Resident Continuity Practice since graduating from our CMEF residency program in 2008. She serves as the Mercy RCP Educational Site Director, and is working toward developing our outpatient practice into a Patient-Centered Medical Home.
Dr. Pauskar has educated residents at the Aultman Resident Continuity Practice since graduating from our CMEF residency program in 2006.
Drs. Ahmed, Hussain, and Krishnamoorthy lead the residents as our PGY-3 Chief Resident Team. Each year, through a process of application, leaders are selected to serve in this crucial administrative role, which includes resident recruitment, process improvement, problem resolution, scheduling, and resident liaison to program faculty & staff.
Cathy Wolford
Program Administrator

- Cathy has more than 34 years of experience with the CMEF Internal Medicine Program and has served for 32 years as program administrator. She is knowledgeable in all aspects of the residency and a strong advocate for residents!
